| SECTION 2: Hazards identification  |  |
| 2.1. Classification of the substance or r  | nixture  |
| GHS-US classification  |  |
| Flammable Liquid 2<br>Acute toxicity 4 (Inhalation)<br>Skin irritation 2<br>Eye irritation 2A<br>Carcinogenicity 2<br>Reproductive toxicity 2<br>Specific target organ toxicity - Single exposure 3<br>Specific target organ toxicity - Repeated exposure 3<br>Aspiration hazard 1 |  |
| 2.2. Label elements  |  |
| GHS-US labelling   |  |
| Hazard pictograms (GHS-US)   | HS02 GHS07 GHS08   |
| Signal word (GHS-US)   | : Danger   |
| Hazard statements (GHS-US)   | <ul> <li>Highly flammable liquid and vapor. Harmful if inhaled. Causes skin irritation. Causes serious eye<br/>irritation. Suspected of damaging fertility or the unborn child. May cause drowsiness or dizziness<br/>May cause damage to organs through prolonged or repeated exposure. May be fatal if<br/>swallowed and enters airways.</li> </ul>  |
| Precautionary statements (GHS-US)  | Keep away from heat/sparks/open flames/hot surfaces. – No smoking. Keep container tightly closed. Ground/Bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Use only outdoors or in a well-ventilated area. Wash hands thoroughly after handling. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Do not breathe gas/mist/vapors/spray. If exposed or concerned: Get medical advice/attention. If on skin (or hair): Take off immediately all contaminated clothing and wash it before reuse. Rinse skin with water/shower. If skin irritation occurs: Get medical advice/attention. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. If swallowed: Immediately call a poison center/doctor. Do NOT induce vomiting. Store in a well-ventilated place. Keep cool. Store locked up. Keep container tightly closed. Dispose of contents and container in accordance with all local, regional, national and international regulations. |
| 2.3. Other hazards   |  |
| No additional information available  |  |

Safety Data Sheet

according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012.

#### 2.4. Unknown acute toxicity (GHS-US)

#### 11 % of the mixture consists of ingredient(s) of unknown acute toxicity.

#### SECTION 3: Composition/information on ingredients

#### 3.1. Substance

Not applicable 3.2. Mixture

# SECTION 4: First aid measures 4.1. Description of first aid measures First-aid measures after inhalation : If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical advice/attention if you feel unwell. First-aid measures after skin contact : In case of contact, immediately flush skin with plenty of water. Remove contaminated clothing and shoes. Wash clothing before reuse. Call a physician if irritation develops and persists. First-aid measures after eye contact : In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. If easy to the contact, immediately flush eyes with plenty of water for at least 15 minutes. If easy to the contact, immediately flush eyes with plenty of water for at least 15 minutes.

| First-aid measures after ingestion : If swallowed, do NOT induce vomiting unless directed to do so by medical personnel. New anything by mouth to an unconscious person. Get immediate medical advice/attention. | First-aid measures after eye contact | In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. If easy to do, remove contact lenses, if worn. If irritation persists, get medical attention. |
|--|--------------------------------------|--|
|  | First-aid measures after ingestion   | If swallowed, do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get immediate medical advice/attention.     |

| 4.2.  | Most important symptoms and effe | cts | , both acute and delayed   |
|-------|----------------------------------|-----|--|
| Sympt | oms/injuries after inhalation    | :   | Harmful if inhaled. May cause drowsiness, dizziness and central nervous system depression.<br>May cause respiratory tract irritation.                                      |
| Sympt | oms/injuries after skin contact  | :   | Causes skin irritation. Symptoms may include redness, edema, drying, defatting and cracking of the skin.   |
| Sympt | oms/injuries after eye contact   | :   | Causes serious eye irritation. Symptoms may include discomfort or pain, excess blinking and tear production, with marked redness and swelling of the conjunctiva.          |
| Sympt | oms/injuries after ingestion     | :   | May be fatal if swallowed and enters airways. This product may be aspirated into the lungs and cause chemical pneumonitis. May cause stomach distress, nausea or vomiting. |

Safety Data Sheet according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012.

| 4.3. Indication of any im   | Indication of any immediate medical attention and special treatment needed |  |   |  |  |
|---|--|--|---|--|--|
| Symptoms may not appear immediately. In case of accident or if you feel unwell, seek medical advice immediately (show the label or SDS where possible). |  |  |   |  |  |
| SECTION 5: Firefighting measures  |  |  |   |  |  |
| 5.1. Extinguishing media  | a  |  |   |  |  |
| Suitable extinguishing media  |  | Powder, water spray, foam, carbon die  | oxide.  |  |  |
| Unsuitable extinguishing media  |  | Do not use a heavy water stream.   |   |  |  |
| 5.2. Special hazards aris   | ing from the subs  | tance or mixture   |   |  |  |
| Fire hazard   |  | Products of combustion may include,  | and are not limited to: oxides of carbon.   |  |  |
| 5.3. Advice for firefighte  | rs   |  | · · · · · · · · · · · · · · · · · · ·   |  |  |
| Protection during firefighting  |  | <ul> <li>Keep upwind of fire. Wear full fire figh<br/>protection (SCBA). Use water spray to</li> </ul> | ting turn-out gear (full Bunker gear) and respiratory<br>b keep fire-exposed containers cool.   |  |  |
| <b>SECTION 6: Accidental</b>  | release measu  | ires   |   |  |  |
| 6.1. Personal precaution  | s, protective equi   | pment and emergency procedures   |   |  |  |
| General measures  |  | : Use personal protection recommende<br>unnecessary and unprotected person                             | d in Section 8. Isolate the hazard area and deny entry to nel. Eliminate sources of ignition.   |  |  |
| 6.2. Methods and materi   | al for containmen  | t and cleaning up  |   |  |  |
| For containment   |  |  | material (e.g. sand, vermiculite), then place in a suitable<br>ow to enter waterways. Use appropriate Personal  |  |  |
| Methods for cleaning up   |  | Scoop up material and place in a disp  | osal container. Provide ventilation.  |  |  |
| 6.3. Reference to other s   | sections   |  |   |  |  |
| See section 8 for further information   | ation on protective  | clothing and equipment and section 13 f  | or advice on waste disposal.  |  |  |
| SECTION 7: Handling a   | nd storage   |  |   |  |  |
| 7.1. Precautions for safe   | handling   |  |   |  |  |
| Precautions for safe handling   |  | breathe gas/mist/vapors/spray. Do no   | No smoking. Avoid contact with skin and eyes. Do not<br>t swallow. Handle and open container with care. Use only<br>ot eat, drink or smoke. Use only outdoors or in a well- |  |  |
| Hygiene measures  |  | Launder contaminated clothing before   | e reuse. Wash hands before eating, drinking, or smoking.  |  |  |
| 7.2. Conditions for safe  | .2. Conditions for safe storage, including any incompatibilities           |  |   |  |  |
| Storage conditions  |  | Keep out of the reach of children. Kee<br>Store locked up. Keep cool. Keep awa                         | ep container tightly closed and in a well-ventilated place.<br>ay from heat, sparks, and flame.   |  |  |
| 7.3. Specific end use(s)  |  |  |   |  |  |
| Not available.  |  |  |   |  |  |
| SECTION 8: Exposure of  | ontrols/perso  | nal protection   |   |  |  |
| 8.1. Control parameters   |  |  |   |  |  |

| 9.1. Information on basic physical and chemical properties                               |  |  |
| Physical state   | : Liquid.                                |  |
| Colour   | : Amber.                                 |  |
| Odour  | : Petroleum odor.                        |  |
| Odour threshold  | : No data available.                     |  |
| рН   | : No data available.                     |  |
| Relative evaporation rate (butylacetate=1)   | : No data available.                     |  |
| Melting point  | : No data available.                     |  |
| Freezing point   | : No data available.                     |  |
| Boiling point  | : No data available.                     |  |
| Flash point  | : ~ 12 °C (~ 54 °F)                      |  |
| Self ignition temperature  | : No data available.                     |  |
| Decomposition temperature  | : No data available.                     |  |
| Flammability (solid, gas)  | : Flammable.                             |  |
| Vapour pressure  | : No data available.                     |  |
| Relative vapour density at 20 °C   | : No data available.                     |  |
| Relative density   | : 0.871 - 0.881                          |  |
| Solubility   | : No data available.                     |  |
| Log Pow  | : No data available.                     |  |
| Log Kow  | : No data available.                     |  |
| Viscosity, kinematic   | : No data available.                     |  |
| Viscosity, dynamic   | : No data available.                     |  |
| Explosive properties   | : No data available.                     |  |
| Oxidising properties   | : No data available.                     |  |
| Explosive limits   | : No data available.                     |  |
| 9.2. Other information   |  |  |
| No additional information available  |  |  |
| <b>SECTION 10: Stability and reactivity</b>  | y la |  |
| 10.1. Reactivity   |  |  |
| No dangerous reaction known under conditions of normal use.                              |  |  |
| 10.2. Chemical stability   |  |  |
| Stable under normal storage conditions. May form flammable/explosive vapour-air mixture. |  |  |
| 10.3. Possibility of hazardous reactions   |  |  |
| No dangerous reaction known under conditions of normal use.                              |  |  |
| 10.4. Conditions to avoid  |  |  |
| Heat. Incompatible materials. Open flame.  |  |  |
| 10.5. Incompatible materials   |  |  |
| Strong oxidizing agents.   |  |  |
| 10.6. Hazardous decomposition products   |  |  |
| May include, and are not limited to: oxides of carbon.                                   |  |  |

**SECTION 11: Toxicological information** 

 11.1.
 Information on toxicological effects

 Acute toxicity
 Inclusion

: Harmful if inhaled.

| 202005  |                  |
|---|------------------|
| LD50 oral rat   | > 2000 mg/kg     |
